Introductions

Allegro Update: NTSA raised about \$2,000 extra for scholarships through the Allegro! performance.

Scholarships: Discussion on changing the timing of the event; Need new members to help serve on the scholarship committee; Suggestion was made to legally look into how we can open up scholarships to more kids - move towards some being need based and not just performance based.

Trophy Festival: Huge success! Lots of money was raised through the trophy festival; there was discussion on how to strike a balance between needing more volunteers and not paying judges. Suggestion made to have date in place by next meeting.

Celebration: No Celebration event this year; Next one will be in October of 2016, and will look different.

Membership: Memberships are up for renewal on August 1.

Next meeting will be September 13 at 4pm. Daina will host at her house in Frisco.
