You have already taken the Suzuki Method Violin or Viola Volume 1 training course and have been trying those ideas for a while...

This is a perfect course for you! Your questions will be discussed! Old and new ideas will be presented about repertoire pieces, left and right-hand exercises, working with parents, scheduling, concerts, etc.

This review course was first sanctioned by SAA in 2016 and *includes 15 hours of course work and 3 hours of observation.*

**Pre-requisites: ECC and Book 1. You must be an SAA member.**

This course can be registered with SAA. (Fee included in the price)

**Dates:** Saturday, January 19, 2019 from 2:00 - 8:30

Sunday, January 20 – 12:00 – 7:00pm

Monday, January 21 – 8:00 am – 2:30

You will have until January 30<sup>th</sup> to get your 3 hours of observations finished.

**Location: 9230 Flickering Shadow Dr. Dallas, TX 75243**

I will be doing the course from my home studio. (Limited to 12/13 people) I will supply the evening meal on Saturday and will supply coffee and tea throughout the course. Please bring your own food for the other meals. We will hold discussions and brain-storm during meals.

**Cost: between \$280 and \$420 if you register and pay early:**

I am trying an innovative idea in an attempt to help save you some money. This could be a money-saver for you if you register early and encourage your friends to attend too. In order to save substantially, you must get your form and registration fee to me by **December 18, 2018.**

As long as I have received your registration payment of \$280 by December 18<sup>th</sup>, the final number of people attending the course will determine the total fee charged. See the price grid below. The minimum total price will be \$280/ maximum \$390.

If your \$280 check/PayPal arrives before December 18, 2018, your total cost will be digressive depending on the number of participants, with \$390 as the maximum. (mail early!)

If your \$280 arrives after 12/18/18 but by 1/11/19, your total cost will be \$390.

If your \$280 arrives after 1/11/19, your total cost will be \$440.

**A supplement to the \$280 fee will be paid at the course.**

Cancel in writing before January 12, 2019 and I will refund \$200. After that date, no refunds.

For those who got their check and form in before 12/18/18 that total will depend on the number of participants. See grid on the next page.

---

**Digressive price applicable if your \$280 payment has arrived by 12/18/18:**

\$305 each = 7 participants

\$330 each = 6 participants

\$360 each = 5 participants

\$390 each = 4 or 3 participants (I must have at least 3 people to run the class.)

**Costs for registrations after 12/18/18**

**\$390 total** = registrations **received between 12/19/18 and 1/11/19** – (not digressive by participant number)

If you have already taken my Book 1 course, please organize your notebook with the pages numbered like my newest edition of book 1. I will send you that table of contents. I now have organized the articles into an “appendix” You may have most but not all of these articles. Print any of the articles I have added since your book 1 course and put them in the order of the table of contents I will send.

The sooner you register, the sooner you will get the notebook and can start preparing.
